Dear Mr. Kick:

We received your Freedom of Information Act (FOIA) request on February 27, 2019.

Your request, which seeks the FOIA log for 2018, has been assigned the following reference number that you should use in any future communications with us about your request: NRC-2019-000212.

To ensure the most equitable treatment possible of all requesters, the NRC processes requests on a first-in, first-out basis, using a multiple track system based upon the estimated time it will take to process a request. Based on your description of the records you are seeking, we estimate completion of your request will be on or before March 27, 2019.

Please know that this date roughly estimates how long it will take us to close requests ahead of yours in the respective track and complete work on your request. The actual date of completion might be before or after this estimate, based on the complexity of all the requests in the simple track. We will advise you of any change in the estimated time to complete your request. In an effort to process your request promptly, you may wish to narrow the scope of your request to limit the volume of potentially responsive records.

For purposes of assessing fees in accordance with our regulations (10 CFR 9.33), we have placed your request in the following category: Media. However, there will be no fees assessed in processing your request.

The following person is the Government Information Specialist who has been assigned responsibility for your request: Tina Ennis at 301-415-5616 or Tina.Ennis@nrc.gov.

If you have questions on any matters concerning your FOIA request, please feel free to contact the assigned Government Information Specialist or me at (301) 415-7169.

Sincerely,

Stephanie A. Blaney /s/
